Leon Health, Inc. is an HMO with a Medicare contract. Enrollment in Leon Health, Inc. depends on contract renewal. The benefits mentioned are a part of a special supplemental program for the chronically ill. Not all members qualify. Medicare approved Leon Health, Inc. (HMO)(D-SNP) to provide these benefits and/or lower copayments/co-insurance as part of the Value-Based Insurance Design program. This program lets Medicare try new ways to improve Medicare Advantage plans. Eligibility for the Model Benefit or Reward and Incentives Program (RI program) under the VBID Model is not assured and will be determined by Leon Health, Inc. (HMO)(D-SNP), based on relevant eligibility criteria tied to each individual's socioeconomic status/level of low-income subsidy (LIS). Unused amounts expire at the end of each month. Purchases may only be made via an approved vendor. Benefit must be utilized through the Leon Plus card at the point of transaction and not be submitted for reimbursement. Approved OTC drugs and health-related items only available through Leon Medical Centers' pharmacies.
