SECTION 1 | INTRODUCTION

This directory provides a list of Leon Health, Inc.'s network providers and pharmacies.

To get detailed information about your health care coverage, and for a complete description of your prescription drugs coverage, including guidance on filling your prescriptions, please refer to your Evidence of Coverage (EOC) and Leon Health, Inc.'s Formulary.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

You should select your PCP, clinic or health center choice on your Leon Health, Inc. enrollment form. If you did not indicate a PCP, clinic or health center on your enrollment form, Leon Health, Inc. will select one for you. You must use your PCP to manage and coordinate all your routine care, until you select a different PCP.

How to change your PCP?

You may change your PCP for any reason, at any time by calling Member Services at the number listed in this directory's first and last page.

A PCP is a physician specializing in family medicine, general practice, geriatrics, or internal medicine to whom you will have direct access without a referral and who has a direct or indirect contractual arrangement with the plan. A PCP provides you with initial and primary care services, maintains the continuity of your medical care, and initiates and manages referrals to other network providers as required by your medical needs or as established in your coverage.

When do you need a referral from your PCP?

The plan requires a referral to visit some specialists. Please read your Summary of Benefits and your Evidence of Coverage or contact our Member Service Department at the numbers listed in this directory's first and last page for more details.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

What happens when you receive services from out-of-network providers?

Should you receive services from an out-of-network provider, and the provider submits a bill directly to you, you should not pay the bill but should submit it to Leon Health, Inc. for processing and determination of enrollee liability, if any.

Emergency and Urgently Needed Services

You may obtain emergency services from the closest available provider, and you may receive urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Leon Health, Inc. will be responsible for the costs.

What is the service area for Leon Health, Inc.?

The county in our service area is listed below:

- MIAMI - DADE

How do you find Leon Health, Inc. providers that serve your area?

To select a PCP from the Provider and Pharmacy Directory, turn to the Primary Care Provider section to find the list of primary care providers in your area. Center locations structure the primary care provider section. Each center location has a list of providers who see patients at that location. You may select the providers based on the nearest center to your primary place of residence.

To select a specialist, hospital, pharmacy, or other providers, turn to that section in the Provider and Pharmacy Directory for a listing of providers in your area. For example, to find hospitals in your area, turn to the Hospitals section of the directory.

If you have questions about Leon Health, Inc. or require assistance in selecting a PCP, please call our Member Service Department at 1-844-969-5366, available from 8:00 a.m. to 8:00 p.m., seven days a week from October 1st through March 31st, and Monday through Friday from April 1st through September 30th. TTY users should call 711. You can also visit www.leonhealth.com.

Pharmacy Information

This book also provides a list of Leon Health, Inc.'s network pharmacies.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered by Leon Health, Inc. only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescriptions but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

The pharmacy network may change at any time. You will receive notice when necessary.

Not all network pharmacies may be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above information, please see the first and last cover pages of this directory for information on how to contact Leon Health, Inc.
